

EXAM GRADE ASSIGNMENT

How Your Exam Is Graded

Greet your client and introduce yourself. 5 Points (no more than 1 minute) - This is a PASS/FAIL grade. It is either completed properly or not completed properly.

Sanitize yours and your client's hands. 5 Points (no more than 1 minute) - Confirm with your client that they have already washed their hands prior to sitting down with you and then sanitize both yours and your client's hands again.

Complete a Full Assessment on your client. 10 Points (5 minutes) - You must complete a full assessment on your client going through all the assessment sections on the Exam Assessment form provided.

Proper Prep of the Nail Plate. 15 Points (10-15 minutes) - Grades are based on the correct and safe process of prepping the natural nail plate without injury to the client. Cuticle removal from nail plate, removal of the cuticle softening product, gold block buffing in order to gently 'etch' the natural nail plate **ONLY IF RECOMMENDED BY THE MANUFACTURER** of the product line you are using (if no 'etching' is required by the manufacturer then do not do this step), cleansing the nail plate, PH bonding or primer if required by the manufacturer.

Product Application. 25 Points (60 minutes) - Grades are based on proper application of product, proper ratios (for acrylic), showing competence in staying 1/16th of an inch from cuticle area, creating a "C" curve.

Finish Filing & White or Gold block buff your client's enhancements. 10 Points (30 minutes) - Marks are based on complete finish filing and proper buffing technique and not over buffing. **NO E-FILING PERMITTED**

Cleansing the Nail Plate and Base coat, 2 coats of Polish colour, and Top coat. 15 Points (25 Minutes) - Marks are given for proper polish application - staying 1/16th of an inch from sidewalls and cuticle area, polish coverage consistency and the capping of the free edge and sidewalls with the polish and top coat. Moisturizing the fingers with cuticle oil.

Recommended Homecare and retail products suggestions. 15 Points (5 minutes) - Marks are based on the thorough homecare instructions you give your client as well as what your specific retail suggestions are.
